## 1. Account creation

You will be redirected to account login/register. Use your email and password for these fields

The image shows a registration form on a dark blue background. At the top, there are two tabs: "LOG IN" and "REGISTER", with "REGISTER" being the active tab. Below the tabs, there are input fields for "Email" and "Password". The email field contains the text "lydiamitchelle2@hotmail.com". The password field is filled with dots. To the right of the password field is a "Requirements" link with an information icon. Below the password field, it says "Password strength: Secure". There is a checkbox that is checked, with the text "I agree to [Terms of Use](#), [Privacy Policy](#) and [Disclaimer and Consent](#)". Below this is a large green button with the text "Complete Registration" and a right arrow. At the bottom, there is a "Sign up with" section with two buttons: "Facebook" and "Google". A large, semi-transparent watermark with the text "CARDING SECRETS RU" is overlaid on the form.

## 1. Confirm your email address

First step in this cc to btc carding guide:

You will need to have access to the email address since a verification code will be sent to the email. Check your inbox and paste the code in the form.

**Please confirm your email address**

We've sent you an email with the code to your email  
lydiamitchelle2@hotmail.com

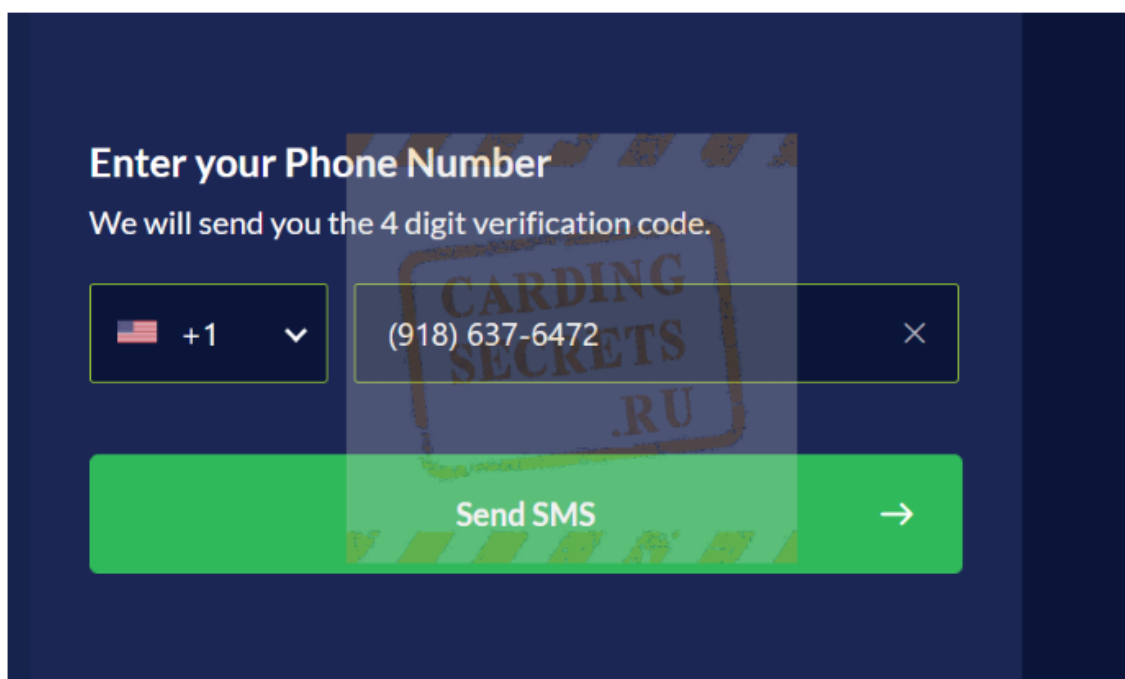

Enter received code

4	8	6	7
---	---	---	---

Didn't receive an email? [Resend](#)

The image shows a dark blue verification form. A semi-transparent watermark with the text 'CARDING SECRETS .RU' is overlaid on the form. The form contains a title, a message about the email sent, a label for the code input, four input boxes containing the digits 4, 8, 6, and 7, and a link to resend the email.

## 1. Verify your Phone number

The image shows a phone verification interface on a dark blue background. A semi-transparent watermark with the text "CARDING SECRETS .RU" is centered over the form. The form includes a title, an instruction, a country code selector, a phone number input field, a close button, and a "Send SMS" button with a right arrow.

**Enter your Phone Number**

We will send you the 4 digit verification code.
